## **Foreword**

Hobbs Parker Auctioneers LLP are delighted to hold the third Ashford Primestock Show. The programme of classes and number of competitors has grown considerably this year and we are looking forward to seeing you all on the day.

This year's president is Mr Andrew Laver, who is a regular buyer in Ashford Livestock Market and a face that many will recognise from his other businesses in the produce and catering industries.

Andrew and his wife Wendy have chosen to nominate the Kent, Surrey & Sussex Air Ambulance as their charity for this year. All profits raised by the show will be donated to the charity, along with raffle proceeds and donations from some of the lots in the sale.

In 2024, the show president, Mr Peter Joules, raised £10,690 for the Royal Agricultural Benevolent Institution (RABI) which was the single largest donation that Kent RABI have ever received.

**Hobbs Parker Auctioneers LLP would like to thank all stewards, sponsors, judges, producers, The Stock Pot staff and everyone who has helped to make this year's show possible.**

## **Media at the Show**

Hobbs Parker Auctioneers LLP are aware of current legislation regarding child protection. Parents and the general public attending the event should be aware that the official show photographer, press photographers and television camera crews could potentially be in attendance.
