Neither the Vendor nor the Purchaser shall have any legal right of action against the Auctioneers in respect of any cause or matter arising out of the sale unless such loss is the result of the Auctioneers error, negligence or failure to disclose relevant information that had been provided by the vendor at the time of sale.
(b) All particulars on the entry form are bona fide given on information supplied to the Auctioneers, but the Auctioneers will not under any circumstances be responsible nor will any allowance be made to Purchasers should there be any error or misdescription in any lot. The Auctioneers take no responsibility for the correctness of any statements which are made on the entire responsibility of the Vendors. The Auctioneers however do not seek to avoid liability for their own errors, negligence or failure to disclose relevant information that had been provided by the Vendor at the time of sale.
6. Notwithstanding anything contained in these Conditions the Auctioneers reserve the right to declare any purported sale null and void if:-
(a) the Purchaser shall default in payment of the purchase price or

The Purchasers right to take action against the Vendor beyond these periods is unaffected.
7. The Purchaser should inspect any motor vehicle purchased by him before purchase. If the vehicle is entered "NOT WARRANTED" then the Auctioneers will not consider any complaint whatsoever concerning the vehicles mechanical condition, fitness for purpose or roadworthiness. The Purchasers right to take action against the Vendor beyond these periods is unaffected.

Should any dispute arise between two or more approved bidders, the lot in dispute may be put up again, or not, at he discretion of the Auctioneers. Vendors reserve the right to bid. The Auctioneers' decision in disputed matters is final and binding on both Vendors and Purchasers.
9. The advance in the biddings shall be regulated by the Auctioneers and no person shall retract a bidding.
10. The Purchasers if required to do so by the Auctioneers are to pay down immediately on the fall of the hammer a deposit for a sum determined by the Auctioneers. This deposit will represent part payment of any lot or all lots purchased by the Purchaser who must give in their names and places of abode when required default of which the lot or lots concerned shall be dealt with as lots uncleared in accordance with Clause 15 hereinafter contained.
11. Vehicles entered and given lot Numbers will not be released until they have been through the saleroom or the Auctioneers have ceased selling for the day.
12. Vehicles shall be at the risk of the Purchaser from the fall of the hammer and shall be taken away at the Purchaser's expense and risk between the times named by the Auctioneers at the time of the sale. 15. Upon failure to comply with any one or more of the above conditions, the money deposited shall be forfeited; the lots uncleared within the time aforesaid shall be resold, either by public or private contract, and the deficiency, if any, upon such second sale, together with all charges attending the same, shall be made good by the defaulter or defaulters at the present sale, and be recoverable as and for liquidated damages; but any surplus that may arise there from shall belong solely to the Vendors.

20. Complaints regarding Warranted Vehicles must be in the hands of the Auctioneers within one hour of the end of the sale. The vehicle must also be available for inspection at the Auctioneers premises at the time of any complaint. The purpose of selling cars 'WARRANTED' is to assure the Purchaser that the car is free of any major mechanical defect other than any stated at the time of purchase. Our view is that allowing for no more than reasonable wear and tear commensurate with age and mileage of the vehicle the following should be operating / functioning correctly:- Engine, gearbox, final drive, power steering unit, brakes, engine cooling system, air conditioning (where fitted), central locking, suspension, fuel systems and all major electrical systems, (excluding immobiliser, anti theft alarm, radio, battery and minor defects such as bulbs).
21. Ownership of any vehicle does not pass to the Purchaser until the vehicle is paid for in full.
