I hereby declare that:-

- 1. I am the owner or owner's agent of the animals described above.
- 2. The movement is in accordance with the General Licence conditions and the 6 day standstill period.
- 3. Stock complies in full with obligation imposed by the Tuberculosis (England) Order 2008
- 4. The animals are not showing signs of any notifiable disease or condition that may affect the safety of meat derived from them
- 5. Farm Assured animals have resided on the holding (or a succession of assured holdings) for the required assurance period of 90 days
- 6. Withdrawal periods have been observed for all veterinary medicines and other treatments administered to the animals while on this holding and previous holdings.
- 7. All the cattle in the above consignment have originated from establishments that have received regular animal health visits from a veterinarian for the purpose of the detection and signs of disease to comply with the veterinary requirements for export to the EU
- 8. No analysis of samples taken from animals on the holdings has shown that the animals consigned may have been exposed to a disease or condition that may affect the safety of the meat.

Or:

9. Are the animals on this form still within a medicine withdrawal period? If so please provide details below.

If your answer is YES to question 9 please give p	precise detail of product and date of the end of the withdrawal period.
