I hereby declare that: -

1. I am the owner or owner's agent of the animals described above.
2. The movement is in accordance with the General Licence conditions and the 6 day standstill period.
3. Stock complies in full with obligation imposed by the Tuberculosis (England) Order 2008
4. The animals are not showing signs of any notifiable disease or condition that may affect the safety of meat derived from them
5. Farm Assured animals have resided on the holding (or a succession of assured holdings) for the required assurance period of 90 days
6. Withdrawal periods have been observed for all veterinary medicines and other treatments administered to the animals while on this holding and previous holdings.
7. All the cattle in the above consignment have originated from establishments that have received regular animal health visits from a veterinarian for the purpose of the detection and signs of disease to comply with the veterinary requirements for export to the EU
8. No analysis of samples taken from animals on the holdings has shown that the animals consigned may have been exposed to a disease or condition that may affect the safety of the meat.

Or:

9. Are the animals on this form still within a medicine withdrawal period? If so please provide details below.

If your answer is **YES** to question 9 please give precise detail of product and date of the end of the withdrawal period.
