STEWARDSHIP SCHEME

The land, together with adjoining land, is currently entered in an Entry Level Stewardship Scheme (ELS) with Natural England.

It is a 5 year agreement that commenced on 1st December 2006 and terminates on 31st November 2011. The annual payment of £30 per hectare (about £12 per acre) is made to the claimant on the basis that they farm/manage the land in accordance with management option EK2 (management of permanent pasture with low inputs) as set out in the agreement.

The successful purchaser of the land can decide whether to continue with the scheme. If the successful purchaser decides to stop the scheme then the money paid so far in respect of this land will need to be repaid to Natural England by the original claimant. The sellers will therefore indemnify the successful purchasers up to the sum of £435.60, should this occur.
