Dear Mr Taplin,

Cantley Ltd – Receptor Site at Bridge

Further to our recent discussions I can confirm that Cantley Ltd own the pastureland on the west side of the A2 road coloured and hatched green on the attached plan.

This land would be available for use as a receptor site. We understand that the land would need to be set aside for this use and would be associated with a long-term management plan.

I trust that this is the confirmation that you need, if however you require any further information please not hesitate to contact me.

Yours sincerely,

C. W. Gooch
Agent on behalf of Cantley Ltd
